LX SERIES
Next Generation Shredders

Introducing Next Generation Shredders

More Shredding. Zero Jamming.

Fellowes new LX Series micro-cut shredders are thoughtfully designed with patented IntelliBar™ responsive technology, which prioritizes maximum security, shredding efficiency and 100% jam free operation. It's the next level of performance from a fourth generation family business dedicated to quality.

Introducing

Next generation intelligent responsive technology that is 100% Jam Proof allowing you to shred safely and quietly with maximum protection, productivity and convenience.

-  **Unequaled Jam Prevention**
-  **Unrivaled Safety**
-  **Unmatched Productivity**
-  **Unbeatable Convenience**
-  **Unparalleled Intelligence**

SafeSense®
Stops shredding when hands or paws touch the paper entry

100% Jam Proof™
Automatically detects and powers through tough jobs

Bin Full Indicator
Notifies you when the bin is nearly full and alerts you when it needs to be emptied

Run Time Indicator
Warns you when the shredder has nearly maximized run time and alerts you when it needs a cool down

Efficiency Meter
Indicates the potential for increased sheet capacity to maximize productivity

Thoughtfully Designed

LX Series shredders stand apart with an elevated design that brings distinction to any work environment.

Full front opening with integrated handle to easily access bin

Soft rolled surfaces and edges

Convenient pull-out bin

Casters for easy mobility

Feature communication simplified all in one spot

Chrome accents

Two-piece front & back design eliminates harsh parting lines

Benefits of Micro-Cut

The LX Series features micro-cut for superior security, convenience and quiet performance.

- Superior security micro-cut shreds are small, unreadable particles designed to protect your privacy
- Convenient, extra small particles mean up to 150% more shredded sheets fit in the bin, resulting in less frequent bin emptying
- Quiet performance micro-cut shredders, by design, shred quieter than cross-cut and strip-cut shredders for less disruption in shared workspaces

Micro-Cut Shreds

Cross-Cut Shreds

The Worlds Toughest Shredders®

LX Series shredders are built with the quality, durability, and shredding capacity you'd expect from Fellowes, the makers of The Worlds Toughest Shredders.

- Robust engineering
- Proprietary 100% Jam Proof™ System
- Patented SafeSense® Technology
- Unbeatable quality synonymous with the Fellowes name

Optimized Performance

Fellowes LX Series shredders have been modified to improve efficiency and productivity with increased sheet capacities, longer run times with less downtime and prioritized security with micro-cut capabilities.
