The AutoMax™ 500C Cross-Cut paper shredder from Fellowes brings you truly walk-away, hassle-free document destruction.

Our proprietary, SureFeed Technology enables automatic shredding of up to 500 Sheets of paper with little prior preparation – including folded, crumpled, stapled or paper clipped paper with minimal intervention. Simply load the drawer, push the button and walk away. It's that!

The AutoMax™ 500C shredder is designed for large offices and 5+ users.

JamGuard System™ prevents shredding interruptions for jam free operation, SmartLock™ engages with each shred cycle to protect confidential information, automatically locking the paper drawer preventing access and a Sleep Mode shuts down the shredder after 2 minutes of inactivity.

Paragraph Copy

The AutoMax™ 500C allows for 30, 60 and 90 minute start delay options, ideal for starting jobs even after the end of the working day.

It shreds the capacity load in 20 minutes into 4 x 38mm cross-cut particles (Security Level P-4) providing a higher level of protection against identity fraud.

The 500C comes with a generous 75 Litre pull-out waste bin for easy waste disposal and the user-friendly 3-stage Bin Full Level LED indicates when the bin needs emptying.

Continuous Duty shredding cycle means its suitable for high volume shredding and also accepts staples, credit cards, paper clips and CDs.

Includes a 2-year machine warranty plus 20-year cutter warranty
